Defense AT&L

FEATURE INTERVIEW

Planning and Budgeting DoD's Weapons Systems

(spru_sep-oct09_datl.pdf)

Dr. Nancy Spruill, Director of Acquisition Resources and Analysis, OUSD(AT&L), discusses the planning, programming, budgeting, and execution system; how DoD is standardizing acquisition data; and the recent business career field changes.

Inside Defense AT&L

Doctor, It Hurts When I Do This...

Alan Haggerty and Roy Wood

When a fellow walks into the doctor's office and complains, "Doctor, it hurts when I do this!" the doctor replies, "Well, sir, don't do that." The acquisition community needs to stop doing the things that hurt.

Next-Generation Sensor Technology, Now

Col. Humberto E. Galarraga, Peter F. Annunziato, Shawn M. Funk, Doretha E. Green

New capabilities can help the warfighter safely test for potential chemical, biological, radiological, and nuclear contamination.

Advancing EVM and Government Contracting Efficiencies

Daniel A. Zosh

If the correct steps are taken, EVM teamwork between the contractors and government agencies will benefit both sides greatly.

The Importance of Litigation Management

Stephen Rinehart
